25X1

The "Aeroklub" or Camouflaged Air Force of the DDR1. Minor Reorganization of "Aeroklub"

In the latter part of December, the 4th Aviation Technical Base was established at Kamenz, in addition to the 1st, 2nd, and 3rd Aviation Technical Bases at Cottbus, Drewitz, and Bautzen respectively.

2. Transfers within the "Aeroklub"

- (a) Major Trendelburg, formerly deputy for technical matters of the 2nd Technical Base, has taken over the same post in the 3rd Technical Base where he has replaced Major Liebscher who has been demoted to senior lieutenant and transferred to Kamenz. The reason for Liebscher's disgrace is said to be because of irregularities in supplies.
- (b) Captain Zielsdorf replaced Major Trendelburg in the 2nd Technical Base, having been transferred in from the Staff Headquarters of the "Aeroklub" where he had been working in the Technical Department under Colonel Kaiser.
- (c) In the Party Control Department of the Rear Service, the Deputy Chief is now Major Rosenbusch, who has replaced Major Rothe.

3. Aircraft

There are still about 35 YAK 11s at Cottbus but the exact number is still unknown. No other types of aircraft are known to be at this airfield.
